

QUANTOCK WINTER WALK SERIES

THE QUANTOCK EXPERIENCE WINTER WALK SERIES - The AONB are offering a series of walks, led by our Volunteer Rangers, to give you an opportunity to get to know the Quantocks. The walks will have a range of lengths and difficulty to suit different capabilities and experience. Our Volunteer Rangers live locally and know the Quantock Hills well. They will share their knowledge about the flora and fauna, the birdlife, red deer, and archaeology.

(All proceeds from these walks will be directed back into the training and co-ordination of the fabulous AONB volunteer teams.)
