1.APOLOGIES

District Councillor	J Edney
---------------------	---------

2.MEMBERS OF THE PUBLIC SESSION

There were no members of the public joining us tonight.

3.Declarations of Members Interest in respect of Items on the Agenda

4.MINUTES OF MAY AGM MEETING

The minutes of the May meeting were approved by Cllr Barrow and seconded by Cllr Peaster.

5. New Items for Discussion

Rooks Bridge

After the last Parish Council Meeting a site meeting was held at Rook Bridge to discuss the options. Since that meeting a local Parishioner, Chris Rees who specialises in re-lining sewers came and had a look at the Culvert. A few ideas were mentioned, one was to lower the weir down and then mother nature can help wash it away. Also maybe running a pipe through the hedge so water is picked up off the Culvert, then the water could splash into a water bath and out down the stream. It was also mentioned that the brook could do with a clean out, remove the soil and place it onto the bank to build it up.

It was decided that another site meeting would take place and to invite Mr Rees. SCC has made a £200,000 mitigation fund available during the 2013/14 financial year for grants which will be used to carry out work that can help to reduce the risk of flooding. It was agreed to apply for this funding.

Accounts

Clerk handed out a copy of the End of Year Accounts. A lot of projects were completed this financial year which was money well spent.

6. Matters Arising

Aley Phone Box

The quotes that were obtained last year are probably out of date, will ask for newer quotes and decide at the next meeting what will be the best option for the phone box. Possibly put some shelves up and it could hold a book swop.

Cricket Club Gateway

The pillars are going to be started this week (17th June), so hopefully the job will be completed by the end of the week. The widening will now be just under 12 feet which will be a major improvement for visibility. The children's play area has now been closed temporarily as it needs some work doing to the ground surface.

Hopefully it won't be closed long. The Recreation Committee are hoping to obtain some funding to have the area resurfaced.

It was mentioned that it might be a good idea to have a site meeting up the Cricket Grounds once a year to see what work needs doing.
